Double Hotplate EB-DKF-2

Description

The classic among double hot plates

- knobs switch operation
- 6 heat settings
- 1.40 metre cable length
- signal lights

Technical data	
Type of equipment	double hotplate
control panel	knobs
Material hob	stainless steel
Number of hobs	2
Front hob diameter	14.50 cm
Rear hob diameter	18.00 cm
Small hob power output	1000 watts
Large hob power output	2000 watts
Maximum power output	3000 watts
connection	220 - 240 Volts
frequency	50 hertz
Equipment	
residual heat indicator	yes
heat settings	6 each plate
cable length	140 cm
Plug (safety plug)	yes
hotplate	2

Equipment	
signal lamps	yes
Dimensions Cut-out hob width	27.10 cm
Dimensions Cut-out Hob Depth	49.30 cm
Hob installation depth	3.00 cm
Logistics	
Hob dimensions (HxWxD)	4.00 x 29.00 x 51.00 cm
Packaging dimensions hob (HxWxD)	12.50 x 34.00 x 55.50 cm
Net weight hob	4.50 kg
Gross weight of hob	5.50 kg
