

Built-in oven EBO9.3H

Description

A

Built-in oven with black glass panel and timer

Highlights

- ✓ Energy efficiency class A
- ✓ Black glass panel
- ✓ 8 Oven functions
- ✓ Hot air
- ✓ Telescopic slides

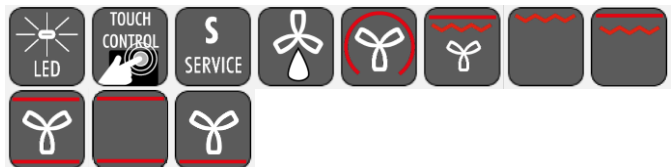

Image may differ from the original

Technical data	
Device type	Built-in oven
Control panel	Glass panel with stainless steel frame
Energy efficiency class A+++ (highest efficiency) to D (lowest efficiency)	A
Energy efficiency index	93,3
Energy consumption (conventional)	0.78 kW/h
Energy consumption (circulating/hot air)	0.80 kW/h
Usable volume of the cooking cabinet	68,00 Liter
Number of heat sources per cooking cabinet	1 - Electric
Size of the device	> 65 l
Number of cooking chambers	1
Oven functions	Defrost, top and bottom heat, hot air, top heat with grill, top heat with grill and convection, bottom heat, top and bottom heat with convection, bottom heat with convection, ECO
Noise emission	< 51 dB(A) re 1 pW
Maximum power	2300 Watt
Tension	220 - 240 Volt
Frequency	50 Hz
Equipment	
Grill	Yes
Recirculated air	Yes
Hot air	Yes
Full glass interior door	Yes
Telescopic slides	2
Timer	Yes
Oven door	Black glass
Oven door Glass layers	2
Enclosure cooling	Yes
Handle and knobs	Aluminum
Number of side racks	1
Grease pan	1
Grill grate	1
Cable length	200 cm
Schuko plug	Yes
Logistics	
Installation dimensions (HxWxD)	59.50 x 59.50 x 55.00 cm
Oven packaging dimensions (HxWxD)	66.00 x 65.50 x 64.00 cm
Net weight oven	33,00 Kg
Gross weight oven	36,00 Kg
Container quantity	216 pieces
Guarantee	2 years
Item number	23207
EAN number	4030608232073
